

A collaboration of pharmaceutical company Medical Information (MI) departments that are dedicated to supporting healthcare professionals in their commitment to provide quality patient care.

www.phactMI.org

phactMI.org is a unique portal that makes it easier to access the resources of Medical Information departments of phactMI member companies.

On phactMI.org you can:

- Search for drug information from multiple manufacturers.
- Submit medical inquiries related to member company products.
- Click through to member company Medical Information (MI) websites.
- Access contact information for member company MI departments.
- Learn more about the phactMI organization.
- If you represent a manufacturer, learn how your company can join phactMI.

phactMI.org provides a single point of access to the current, accurate drug information available from manufacturers' Medical Information (MI) departments.

**Multiple Products. Multiple Manufacturers.
MI Department Websites and Contact Info.**
